

Welcome to the 2024 Yukon Outfitters Association Christmas Jamboree.

Please review the schedule and take note of your players times. Saturday December 14, all games will be at Takhini Arena. Sunday December 15, all games will be on

NWT ice at the CGC.

Change rooms assignments will be posted on the white boards. Please refer to those for change room selection upon arrival.

Three games will be played before a flood. There are only 5 minutes in between games so it is important to get your water bottles and belongings off the bench for the next team to get on. Please allow the team to exit the benches before a new team comes on.

Teams are sized accordingly to ensure everyone gets fair game play. Games are structured 4x4. Coaches will ensure on the fly player changes to allow every player to get on the ice. Scores will be added to the round robin chart by a jamboree official. The Sunday playoff games will then be scheduled by WMHA VP Don Fedus.

Game RULES:

4x4 play

No off sides

No icings

Penalty Shot with a chaser, puck is live if there is no goal off penalty shot

When a goal is scored, puck is pulled out of the net by player and they continue.

Scoring team must retreat across the close blue line until all players are out, and then can attack.

If a team gets down by 3 goals they get to add a 5th player to make it 5x4. 5th player gets off the ice when deficit is two or less.

WMHA POLICY STATES, conduct that WILL NOT BE TOLERATED includes:

- Abusive language directed at coaches, teammates, teammates parents, officials, or members of other teams
- Throwing of equipment in anger
- Intentionally attempting to injure another player whether is it a teammate or an opposing player.
- Intentionally ignoring instructions
- Disruptive horseplay

Any of the actions displayed will be an immediate dismissal of the player and or parents from the arena for the jamboree weekend. There are no penalties, offside or icing. These games will be fast paced but **all rules** still apply and keep these 5 points in mind. If a player is seen displaying regular game penalty actions they will be removed from the game. We want this to be fun for all. Please follow respect in sport, no abuse of players, coaches, fans, referees or jamboree officials will be tolerated.

HAVE FUN!!! That is what this is all about!!
